### **PAMELA M. SANBORN**

Pam has over 16 years of experience in healthcare financial management. During this time, she has worked in the finance area of various large Michigan hospitals, as well as a multi-practice physician group. Pam joined The Rybar Group as a consultant in 2002.

Pamela's accomplishments and activities include:

- Critical Access Hospital feasibility studies, applications, CONs, conversions, implementation, and education
- Critical Access optional billing
- Rural Health Clinic conversion and analysis
- Provider Based conversion and analysis
- Cost report preparation and review
- Third party audits and appeals
- Preparation of reports filed with third-party payors
- Preparation of annual operating and capital equipment budgets, monthly financial statements, and variance analysis
- Preparation of financial statement audit workpapers
- Coordination of work between various departments, including Accounting, Patient Accounting, Medical Records, and MIS
- Development of databases for use with claims downloads from multiple health plans, physician's clinical performance bonus programs, and physician credentialing
- Development and implementation of new systems for various uses, including contact management, credentialing, clinical performance, patient satisfaction survey (HEDIS collection tool), referral systems, charge masters, and chart reviews
- Managed Care risk contracting

Pamela is an active member of the Great Lakes Chapter of HFMA.
